

**KIT.KWVE15-B-OS-310**

Accessory kit

Sealing and lubrication elements KIT for KUV...

Informacje techniczne

Twoja aktualna wersja produktu

|             |     |                |
|-------------|-----|----------------|
| Size Code   | 15  |                |
| Suffix code | B   |                |
| KIT-number  | 310 | KIT end number |

Main Dimensions & Performance Data

|                |        |                      |
|----------------|--------|----------------------|
| K <sub>1</sub> | M2x9   | Screw                |
| L <sub>S</sub> | 1,3 mm | Dimension screw      |
|                | S 1,5  | Hexagon socket screw |
| S              | 5 mm   | Dimension            |
| ≈m             | 5,52 g | Masa                 |

Degree of contamination

|     |                                                      |
|-----|------------------------------------------------------|
| Yes | KIT suitable for very slight degree of contamination |
| Yes | KIT suitable for slight degree of contamination      |
| Yes | KIT suitable for moderate degree of contamination    |
| Yes | KIT suitable for heavy degree of contamination       |

Related products

|     |                        |
|-----|------------------------|
| Yes | KIT can be retrofitted |
|-----|------------------------|

Increase of displacement

|     |                                      |
|-----|--------------------------------------|
| Yes | Large increase in displacement force |
|-----|--------------------------------------|
